### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-7 is indicated because the prior art of record does not show or fairly suggest a voltage of at least 500V is applied to a shield arranged at the outer periphery of a plasma vacuum processing vessel.

### REMARK

In the IDS filed September 10, 2004, the citation of JP document 2000-323298 dated 11/2000 had been considered twice (as noted in the copy of the PTO-1449 filed on October 21, 2003, a copy of which has been submitted in the previous Office action dated October 18, 2004). For clarification purpose, a supplemental copy of the PTO-1449 filed September 10, 2004 with a line drawn through the citation is hereby submitted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
